### **INTRODUCTION**

**The church grows in two (2) ways namely;**

**Both of these growths depend on individual contribution and effort made. In the first century, the Apostles were blessed with different gifts including miraculous ones, these gifts were put together for the church growth.**

**Today what is your gift, and how do you use it to the growth of the church?**

### **PRESENTATION**

**The following are roles we play to church growth**

- 1. Submissiveness: It's mean obedience and loyalty.  
1Cor. 14:34, I Tim. 2:11-12**
- 2. Teaching: E.g. II Tim. 3:15; Titus 2:4-8**
- 3. Prayer: 2 Thess. 5:17**
- 4. Faith/Work: This means show of faith in action.**
- 5. Encouragement.**
  - In church programme/activities.**
  - By our attendance**
  - By our concern for one another welfare and challenges.  
E.g. advice, counselling, visit or call.**

### **C. CONCLUSION**

**What will be my Epitaph, what I will be remembered for, building or destroying the church?**
